TODAY'S SPECIAL PRESENTATION WILL BE 16:45 -17:45

“Boundaries and Lifestyle” by Kim Lee-Own (English) in **Progress St. 1**.

Boundaries, the limits we each have, may be influenced by our style of life. This session will share some ideas and discussion about how we choose/don't choose to have boundaries according to our priorities/private logic.

“Goals of Misbehavior” by Harald Albrecht (English) in **Botanic Square 2**

Rudolf Dreikurs describes four goals of misbehaviour. Discouraged children develop these goals. How can we recognize these goals and how can you react?

“Emotions and Their Precise Opposites” by Calvin Armerding (English) in **Botanic Square 3**.

Adler observed that people are in a constant state of movement: striving away from a “felt Minus” and toward a “felt plus.” This brief workshop will demonstrate the use of two simple questions to precisely assess clients' movement, thereby improving empathic understanding and helping to assess the lifestyle.

TONIGHT IS FREE: There is no evening program tonight. This may be a good opportunity to meet and greet other ICASSI participants at the lounge/bar/terrace in the Hotel. You may also want to practice for the Talent Show (see below).

MARKET and TALENT SHOW: The Market will be held Wednesday evening. Please bring items you are donating for sale to the office on Tuesday and Wednesday by noon. It helps if you write the value of the item and their country of origin on the item. All proceeds are used for the benefit of the ICASSI scholarship fund. Thank you. See Magnus (lead of the Children's program) if you would like to be in the talent show. Musical equipment is available.

PLENARY SESSIONS: Hopefully you are enjoying the lectures. Perhaps you want to hear them again, or not have to worry about capturing all the notes! Please be aware that they are being taped and you will have the opportunity to purchase access to copies of them so you can listen again. They will be sold at the Market and at Thursday coffee break. More details to come in a future newsletter! **PLENARY ON WEDNESDAY WILL BE: The Use of Metaphors in IP by Mia Levitt Frank.**

Adler Café – A Hybrid Adler Café will be held on Wednesday, August 3rd at 18:00 – 18:45 in Expert St. 11. We are looking forward to being joined by participants from all over the world and we hope you will be there as well.

VOLUNTEERS ARE NEEDED: for couples to demonstrate in Zivit Abramson's class. Please see Zivit or contact the office if you are willing to do so.
