BRÚ NA BÓINNE TOUR +NEWGRANGE CHAMBER

A guided tour to Knowth and Newgrange with access to the chamber at Newgrange.

Includes exhibitions at Knowth and Brú na Bóinne Visitor Centre. No access to the chambers at Knowth.

Walking into any 5,000-year-old passage tomb (older than the pyramids!) is a unique experience, but Newgrange is particularly special. There aren't many examples of prehistoric engineering as impressive as this one, where the morning sun shines through a perfectly aligned roof box during the winter solstice, illuminating the entire main chamber.

Cost Adult (no child concessions) €40

There will be an opportunity to have dinner in a local restaurant. This *is not* included in the cost. Meals start at €16.
