THE VIRTUAL WINTER CONFERENCE BY ICASSI

ICASSI offers for the second time in January 2025 a virtual winter conference with as many as 16 workshops and two lectures. To enable participation from all around the world, two "timezones" are offered. One better suitable for participants from Asian countries and the other one for participants from North/Central/South America. Both are well suitable for Europeans. Additionally we also offer an introductory workshop for anyone new to Adlerian theory.

WE ALSO OFFER

INTERNATIONAL RUDOLF DREIKURS SUMMER SCHOOL

Our next Rudolf Dreikurs Summer School will take place from July 20 to August 2, 2025 in Collinsville, Illinois, USA.
